

# Aurora Paddlesports Festival 2011 Youth Paddling Program REGISTRATION FORM

Sponsored by

Your child can discover the thrill and freedom of paddlesports...the fun and relaxation of paddling a canoe or kayak on a lake or river. They will also discover the thrill of exploring some of the most beautiful natural areas left in our urban environment while developing their strength, balance and an appreciation for the outdoors.

The Illinois Paddling Council in partnership with Aurora Parks and Recreation Department, Communities In Schools and Paddle and Trail is offering a free introduction to canoeing course for middle school age children in the City of Aurora.

This program is limited to 48 students so space is limited. To enroll your child in this free special program fill out the attached Registration Form and return it to:

Youth Paddling Program  
c/o Gary Mechanic  
1011 Lyon Ct.  
Aurora, IL 60506

Registration forms must be received by Saturday, May 7, 2011.

The parents of students accepted into the program will be contacted to arrange class times and transportation to Phillips Park. All classes are insured through the American Canoe Association and the parents or guardian of all program participants will be required to sign an insurance waiver.
